

# Grizzly Mountain Ride

## April 15, 2017

The Grizzly Mountain Distance Competition is sanctioned by EDRA

### Trails:

Mixed high desert trails, lots of two track road and cow trails. Some sections of rock. Very doable trails! Plentiful water. Please seriously consider hoof protection. Gentle rolling elevation changes. Gates! This area is grazed by range cattle, so gates are a fact of life out here. We are working to find a 4-H group (or any other group looking to make some donation \$!) to help us man gates. Contact Darlene Anderson if your group is interested.
