

2024 EDRA IN MOTION CHALLENGE

EDRA’s motto is to “Start Ready, Finish Proud” and includes a focus on preparing both equine and rider for the demands of competitive distance riding. This program is being offered to interested EDRA members as a motivational tool – not just for the preparation of their equine partner, but to also help the rider improve or maintain their own fitness. It encourages EDRA members to move and to keep moving.

The Challenge is in addition to and totally separate from the Awards Program described in our General Rules, Appendix E. Find the rules for the Challenge [HERE](#)

The Challenge competition runs from January 1 through December 31, but EDRA members may join-in at any point during the course of the year.

To enroll in the EDRA in Motion Challenge, simply submit your miles. The online form is available through the link below.
